Did You Know...

Did you know that credit unions are different than banks? Lots of people do not realize that credit unions are **Owned by their Members**. RFCU is owned by our members, making each one of you part owner in a financial cooperative. As a member-owner, you have the opportunity to vote for the Board of Directors each year at the annual meeting. Neat, huh?!

Just for Grins

There was a family that had a parrot that was always embarrassing them by cussing and other stuff like that.

So one day the boy took the parrot and stuck him in the freezer. Two hours later the squawking stopped.

The kid checked the freezer and the parrot said, "Okay I'll stop cussing, but I have one question".

The boy said, "What"?

The Parrot asks, "What did the turkey do"???

Have a "funny" you'd like to share? Send it in! We'd love to hear from you. psmith@resourcesfcu.org.

White House Ornament 2010

The 2010 White House Ornament is on sale now at the credit union and is the perfect gift for everyone on your holiday gift list. The ornament can be preordered through October 15, 2010 for \$20 – cash, check, or transfer. The ornaments will then be ready for pickup by the end of November.

The 2010 White House Ornament honors the 25th president of the United States, William McKinley, and celebrates the role of music in the traditions of the White House. In celebration of the nation's patriotic mood as the century turned, the illustrations commissioned for the 2010 ornament feature festive, colorful scenes from the annual Army Navy Reception at the White House in 1900. The front face of the ornament depicts members of the United States Marine Band performing on the snow covered North Drive as arriving guests disembark from their carriages. The reverse side of the ornament shows the band playing patriotic airs for President and Mrs. McKinley and their party in the flag bedecked splendor of the East Room. It was in this High Victorian East Room that the McKinleys began the era of "musicales" at the White House, a tradition that continues to this day.

Sallie Mae Smart Option Student Loan Kickoff a Sweet Success!

In connection with our kickoff for our new partnership with Sallie Mae and their Smart Option Student Loan program, members and non-members were asked to take their best guess(es) at how many M&Ms were in a vase. We had guesses from 133 all the way up to 4400, but at the end of the day Friday, Connie Henderson had the closest guess with 1401. The actual number of M&Ms was 1444. Way to go Connie! Now, someone come and eat all these M&Ms!
